UNCLAIMED FINANCIAL ASSETS AUTHORITY

UFAA INFORMATION SECURITY POLICY STATEMENT

UFAA is committed to protecting its information assets from all threats, whether internal or external, deliberate or accidental. The organization will:

- Implement, maintain and continually improve an Information Security Management System (ISMS) in accordance with ISO/IEC 27001:2022.
- Continuously identify, assess, and mitigate information security risks.
- Provide adequate resources for information security initiatives.
- Promote a culture of information security awareness and accountability.
- Ensure compliance with legal, regulatory, and contractual obligations.
